John Ward Economics

Personal Consumption 2013-15

The methodology that John Ward Economics uses to determine personal consumption is found in the journal article cited as:

Kurt V. Krueger (2014) Personal Consumption by Family Type and Household Income. Journal of Forensic Economics: December 2014, Vol. 25, No. 2, pp. 203-220.

That article can be accessed on the Internet at:

http://journalofforensiceconomics.com/doi/abs/10.5085/0898-5510-25.2.203

This document contains the 2013-15 updates to the article above by simply moving the Consumer Expenditure Survey data source forward from 2012-2013 to 2013-2015.

Figure 1. Husband and wife only earning families under age 65

Personal consumption as a percent of household income, (2013-15$)

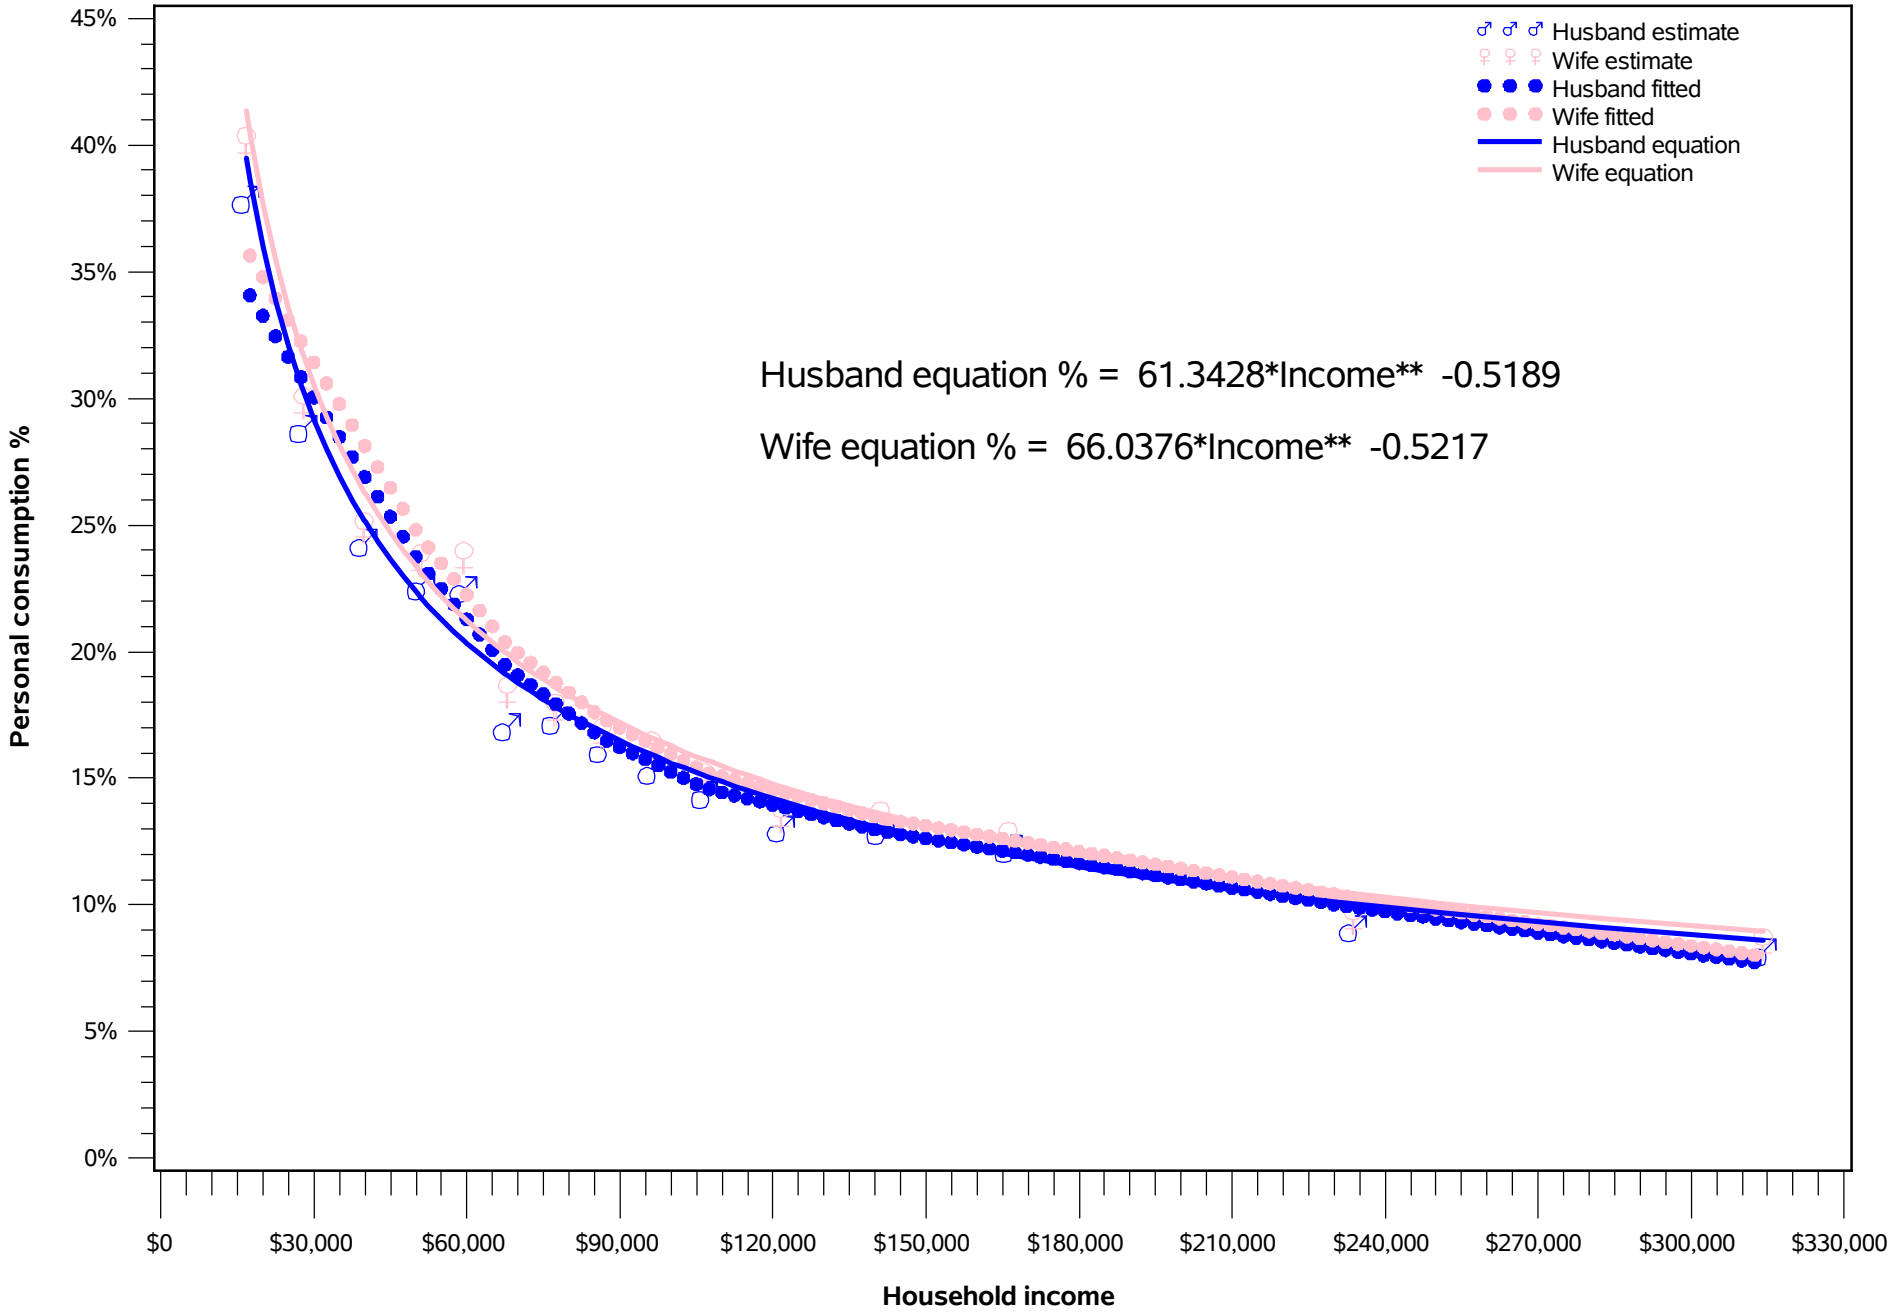

Figure 2. Husband and wife earning families under age 65 with one child age 6-15

Personal consumption as a percent of household income, (2013-15$)

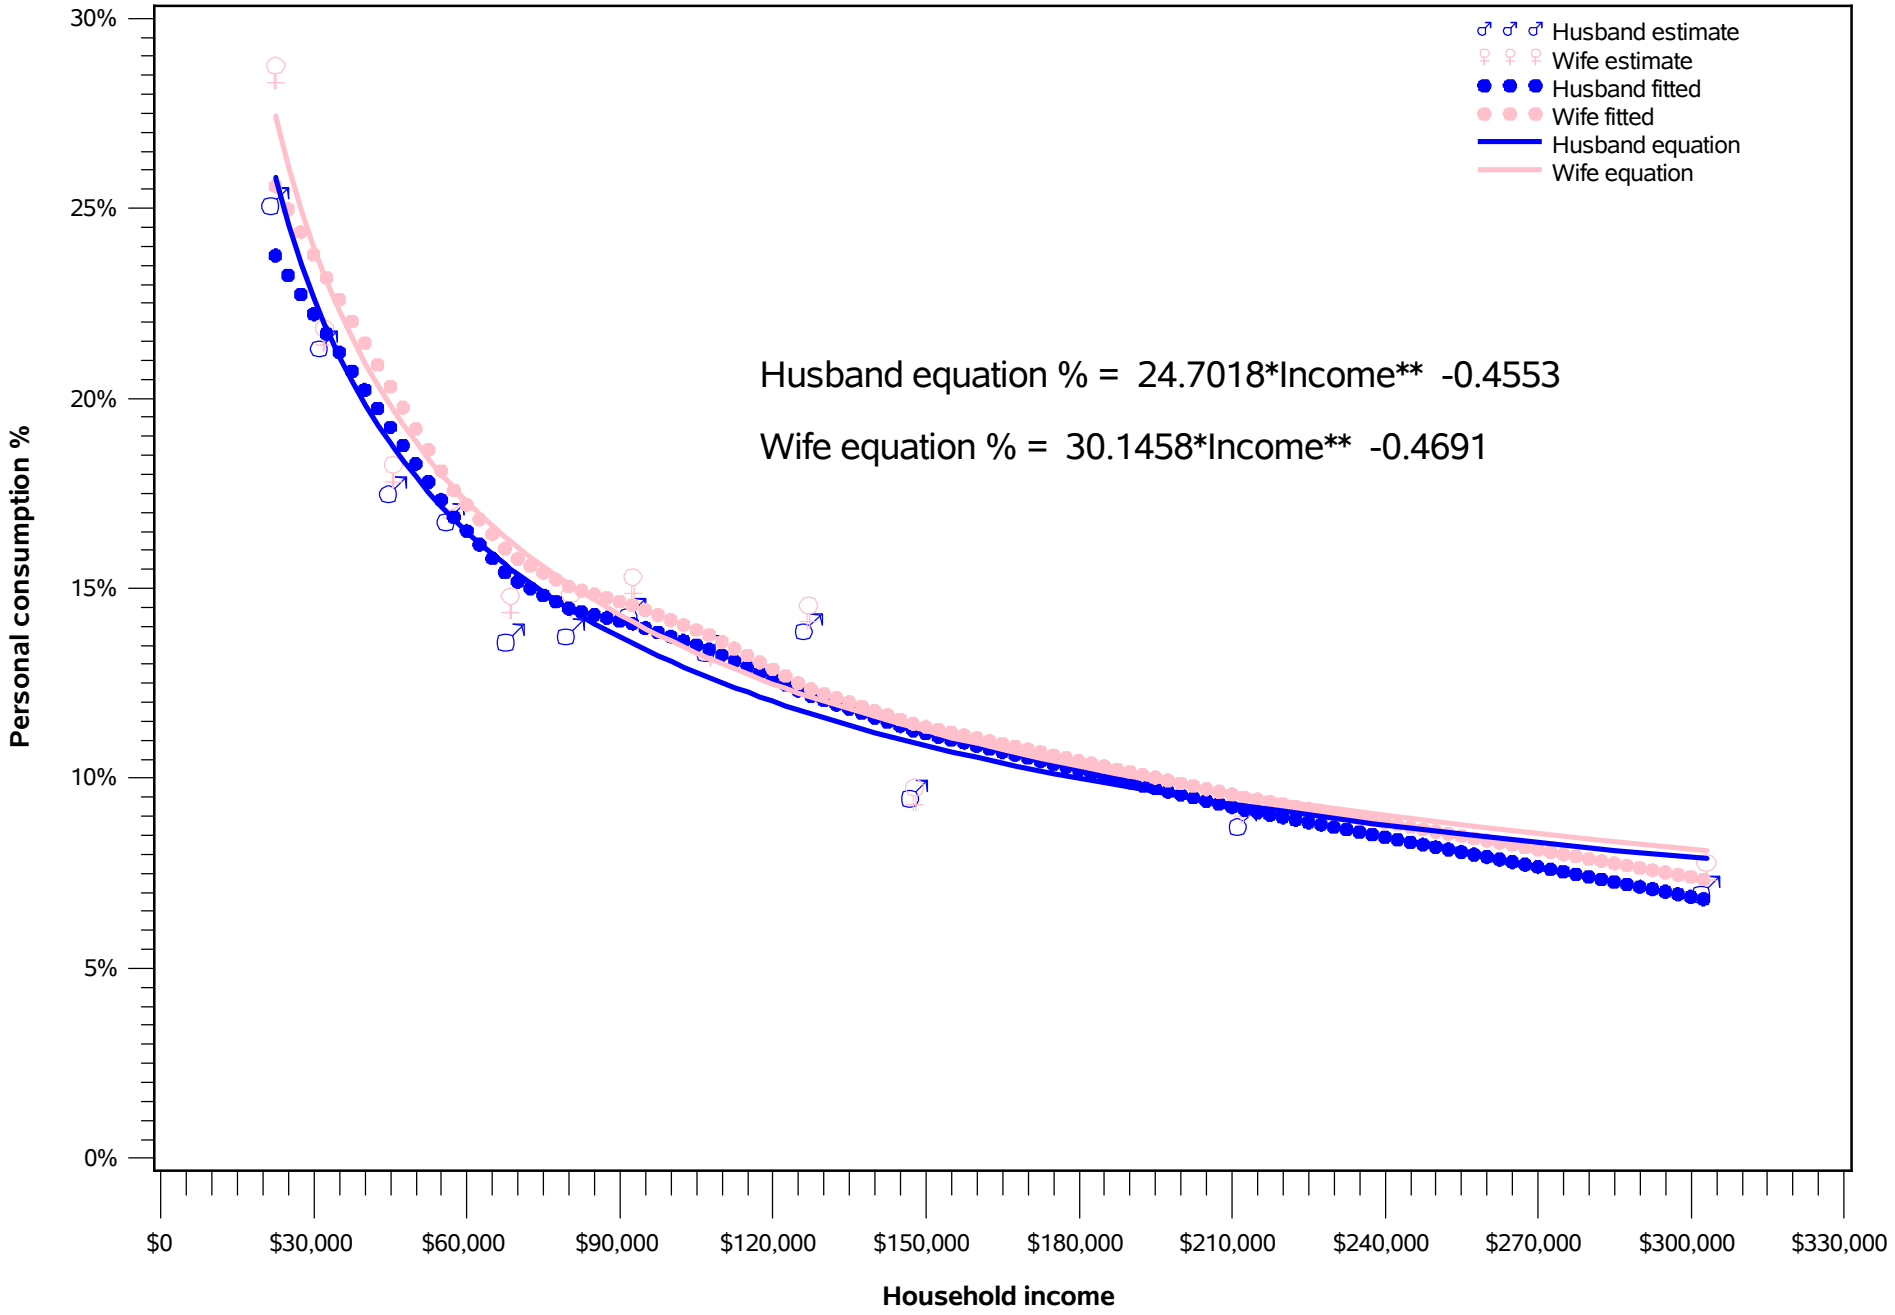

Figure 3. Husband and wife earning families under age 65 with two children ages 6-15

Personal consumption as a percent of household income, (2013-15$)

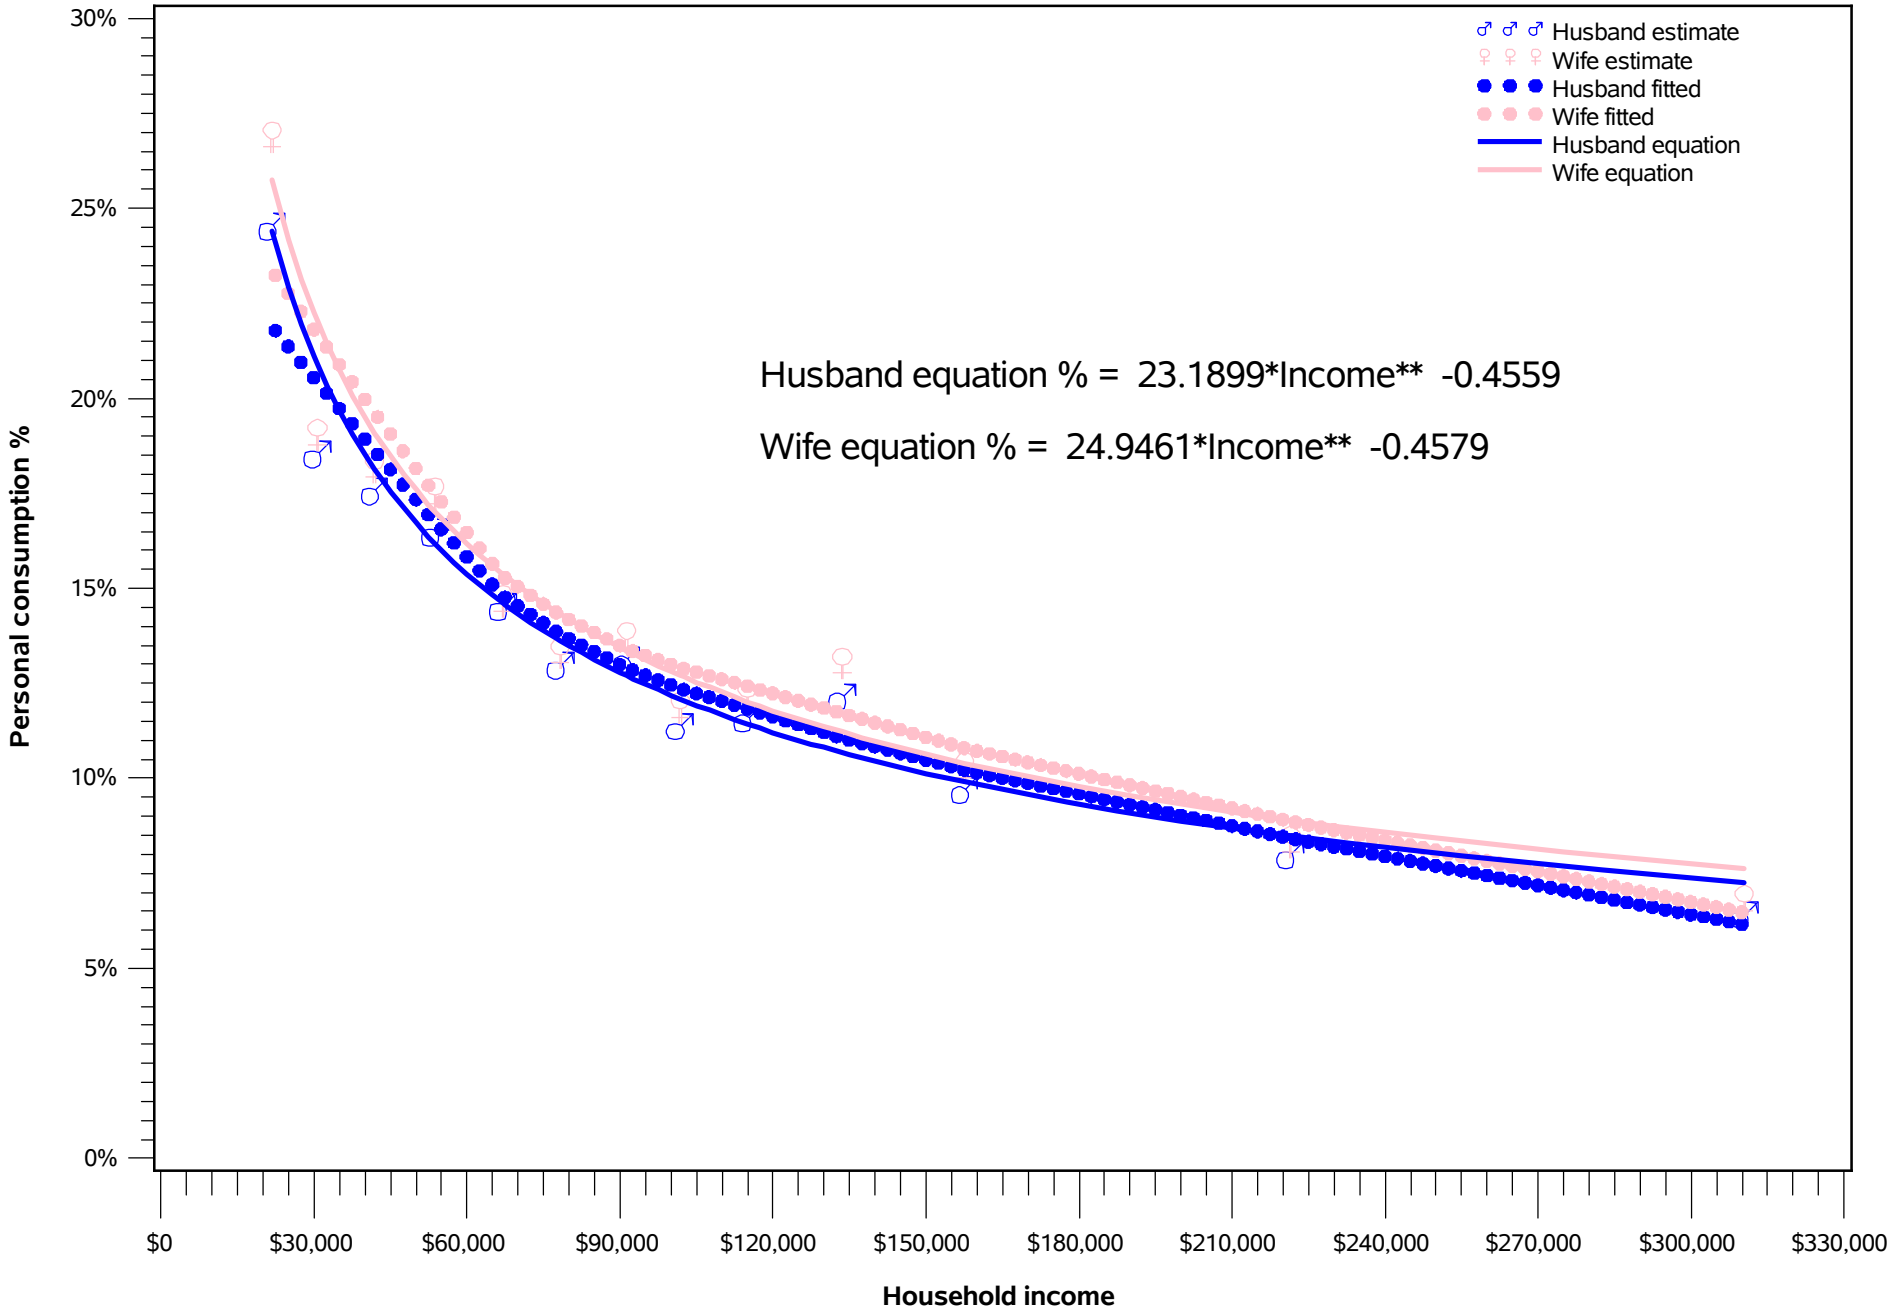

Figure 4. Husband and wife earning families under age 65 with three children ages 6-15

Personal consumption as a percent of household income, (2013-15$)

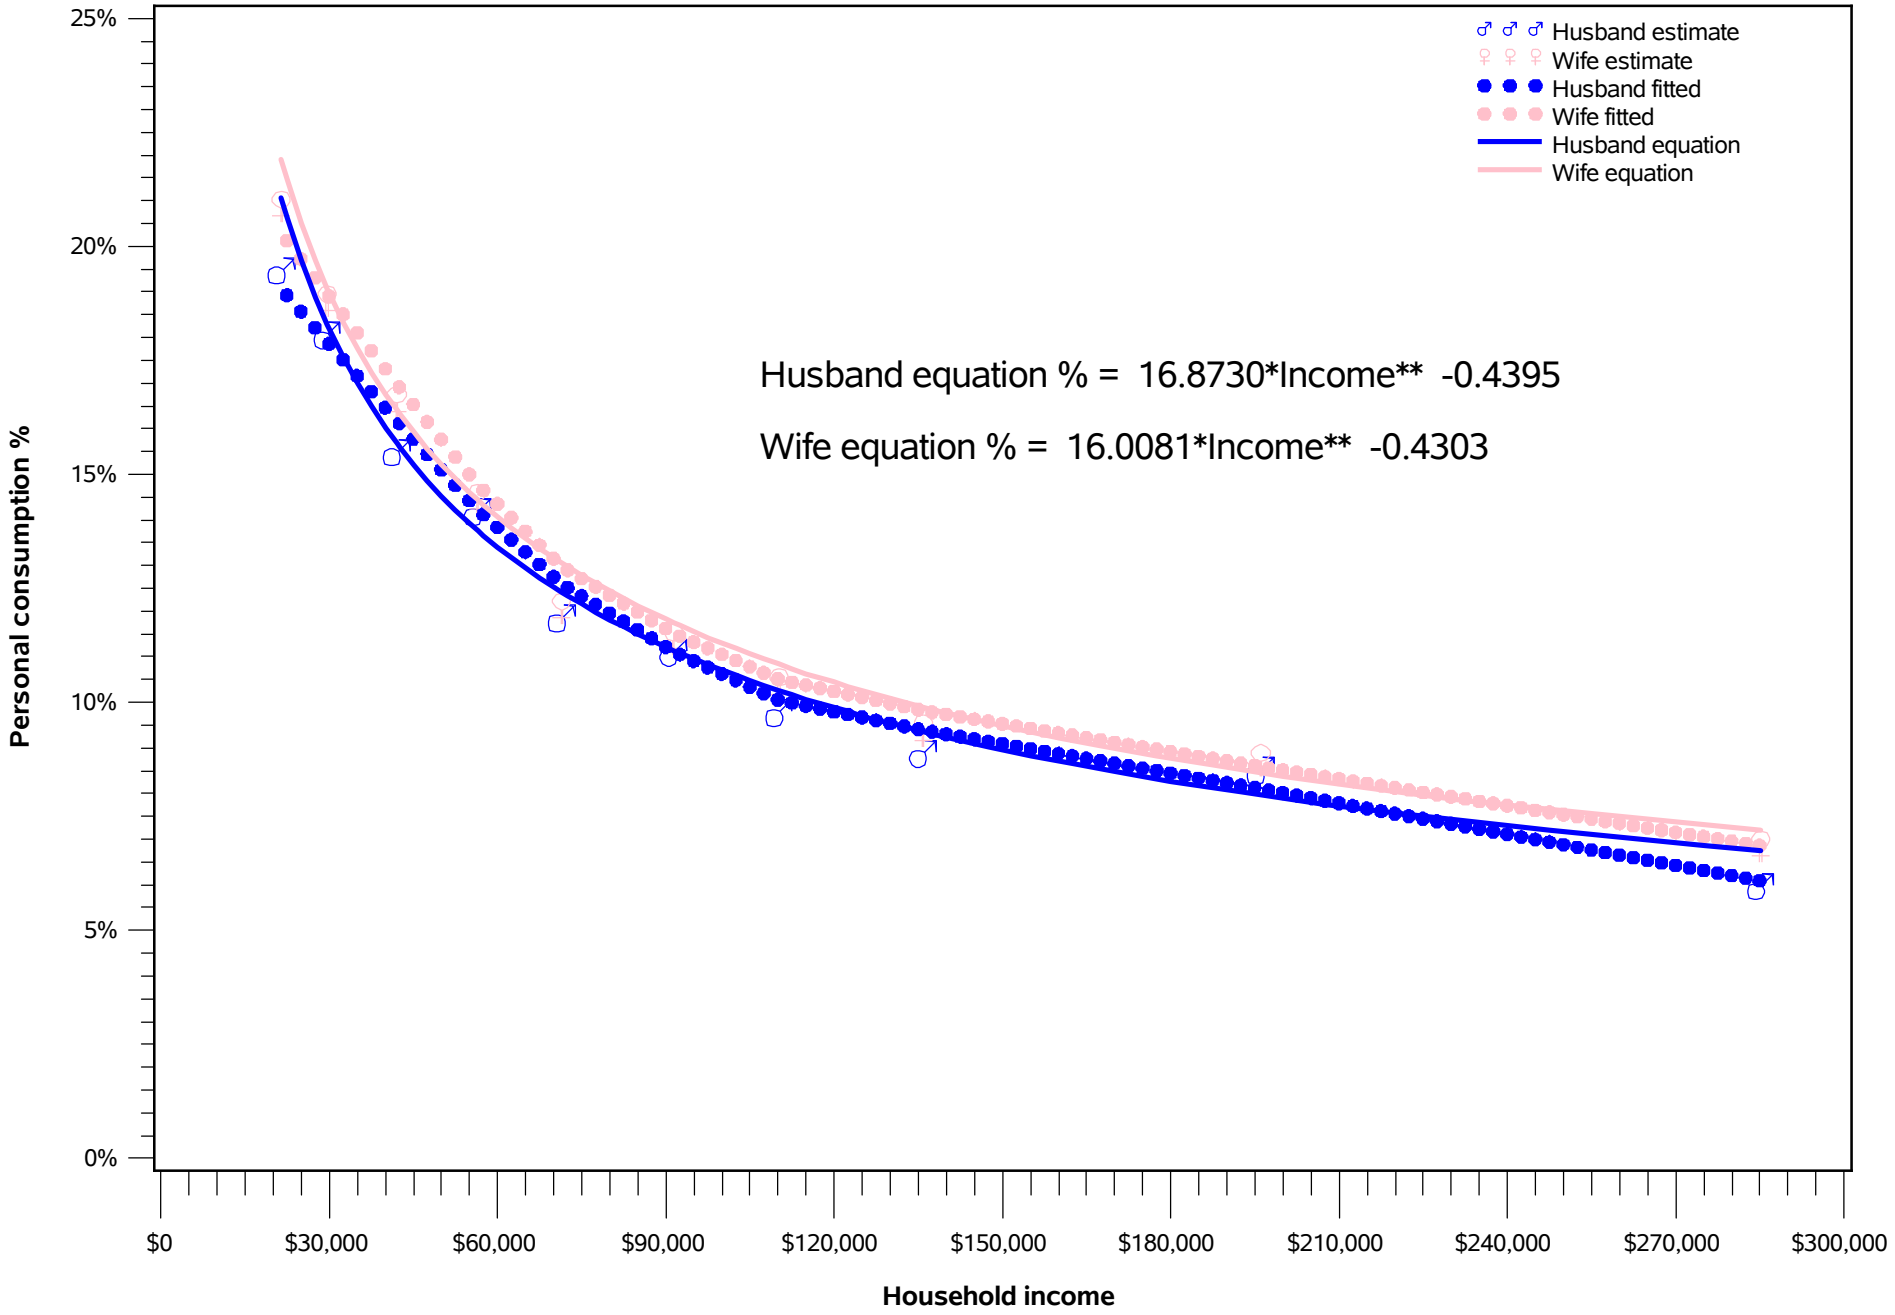

Figure 5. Husband and wife retired over age 65 families

Personal consumption as a percent of household income, (2013-15$)

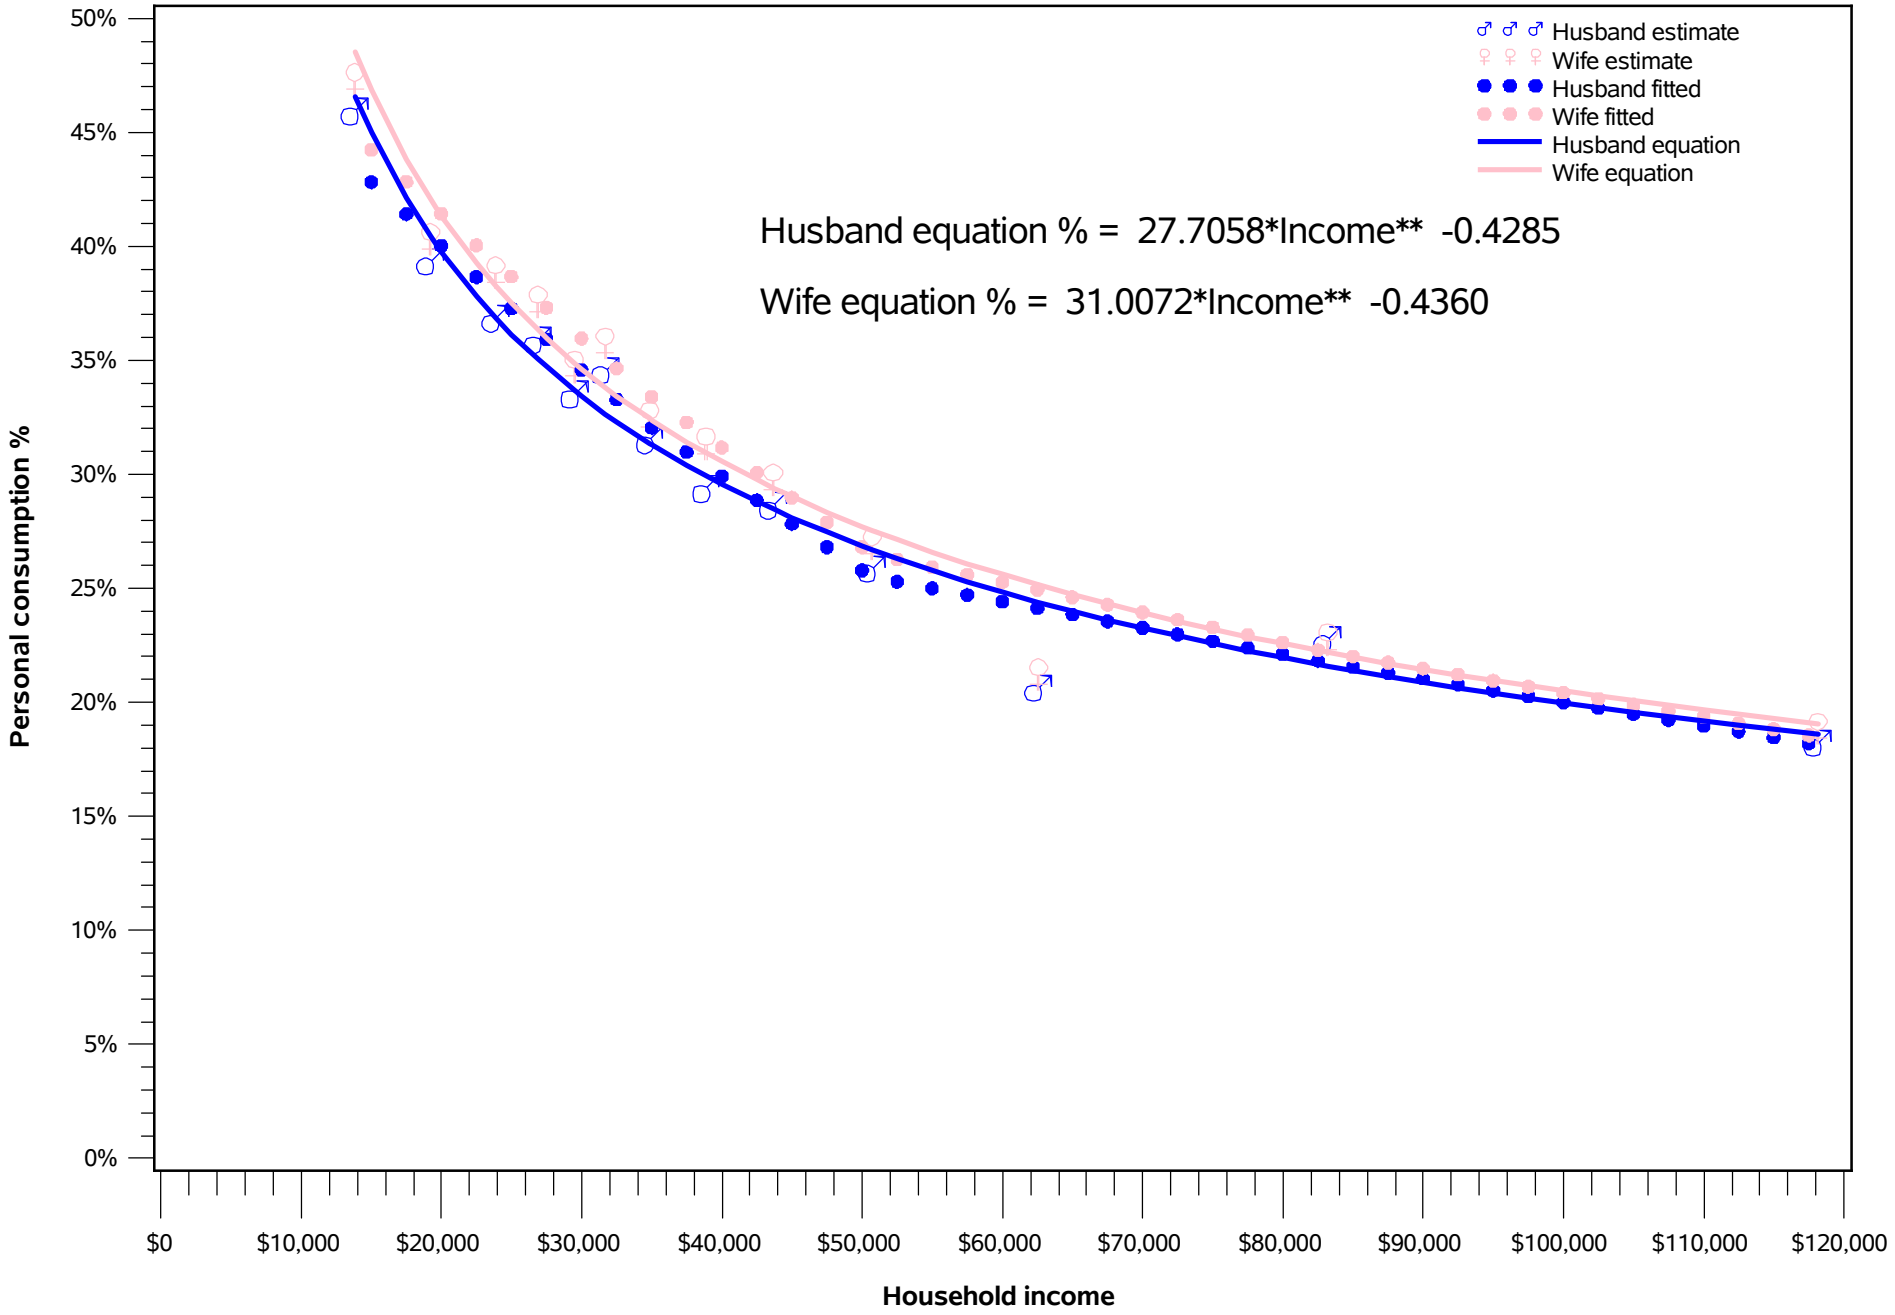

Figure 6. Wage earning single parent under age 65 with one child age 6-15

Personal consumption of parent as a percent of household income, (2013-15$)

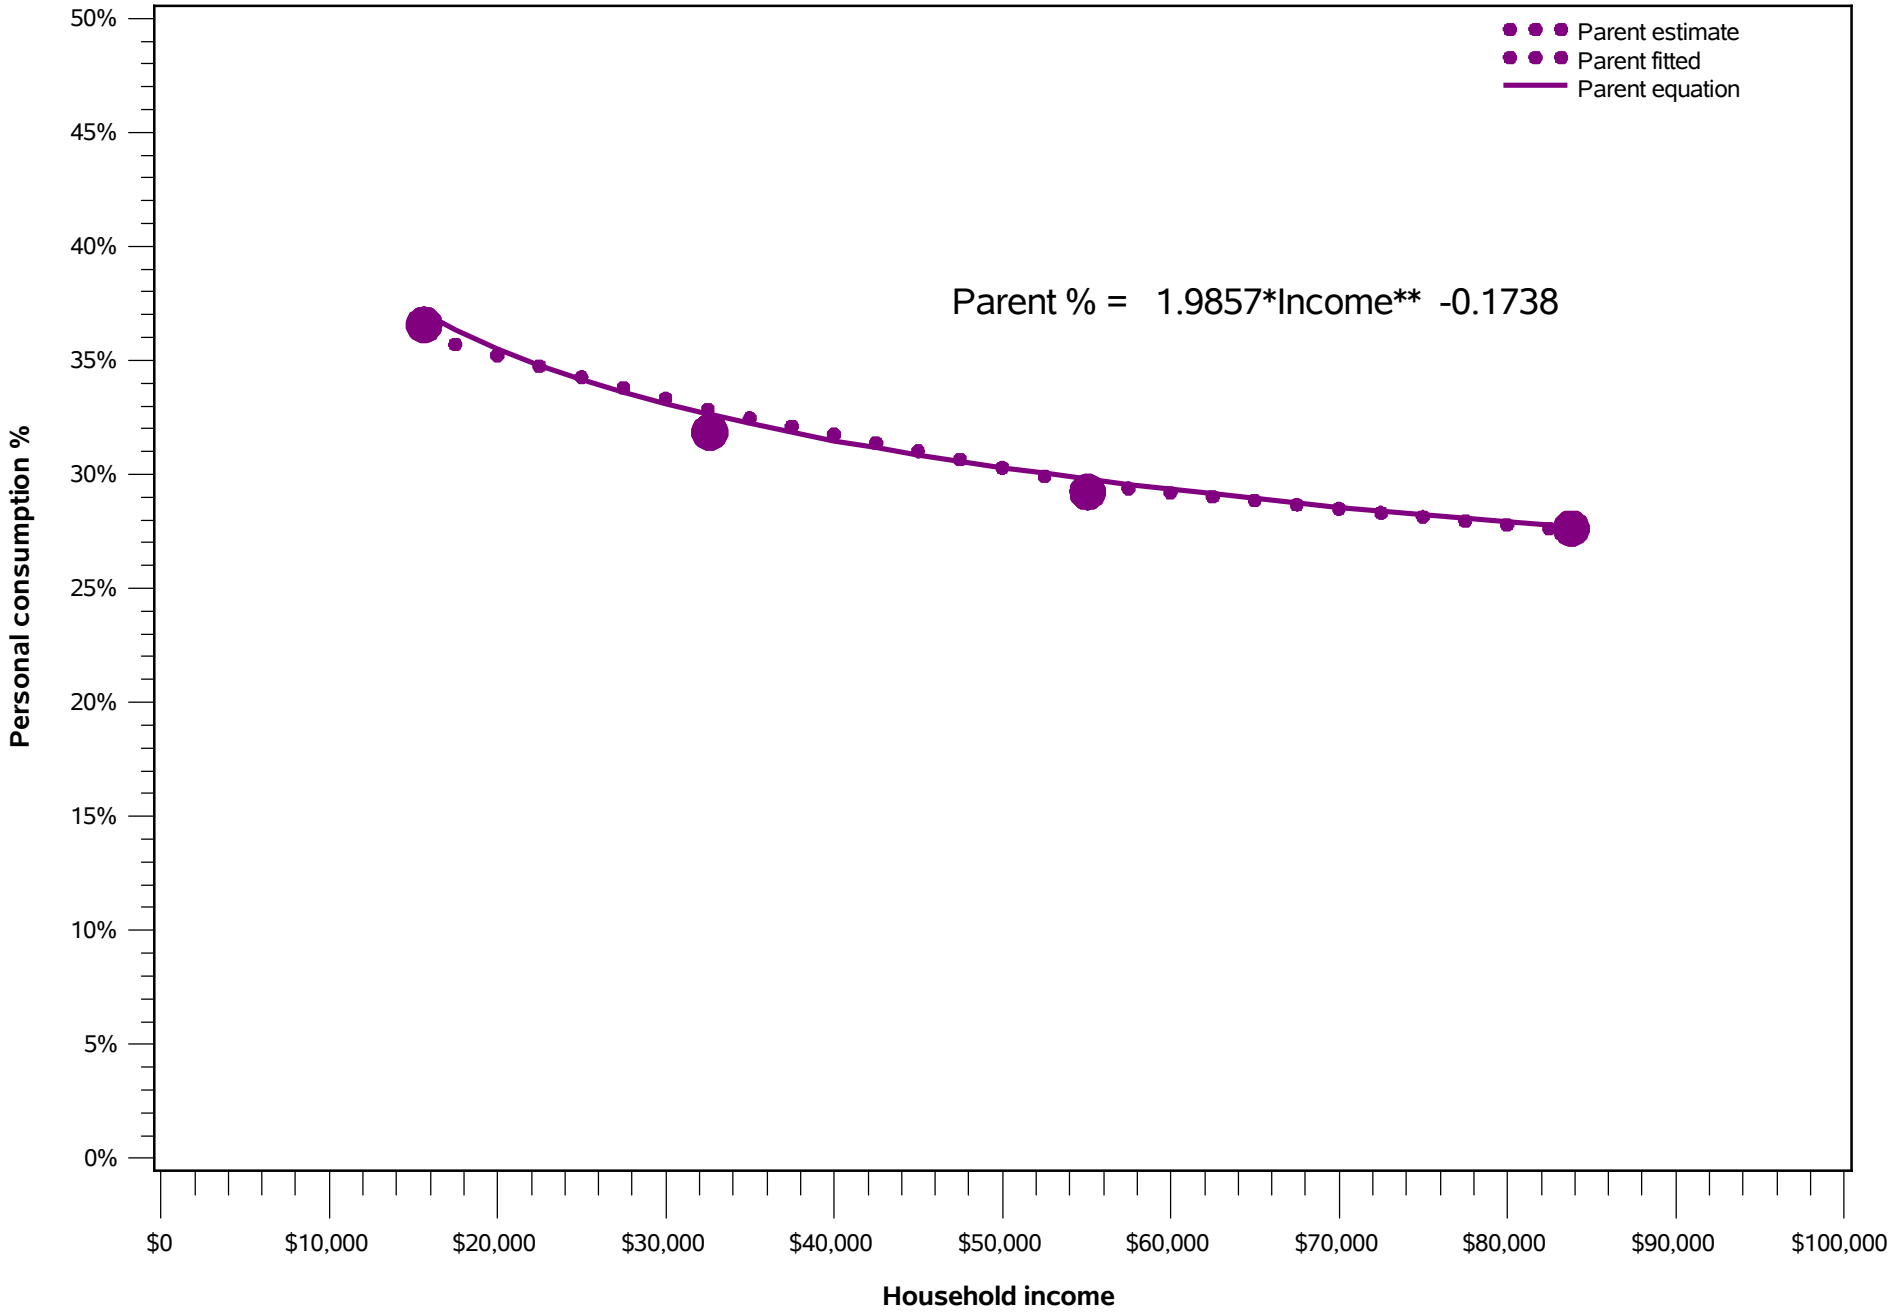

Figure 7. Single wage earners (under age 65)

Personal consumption as a percent of household income, (2013-15$)

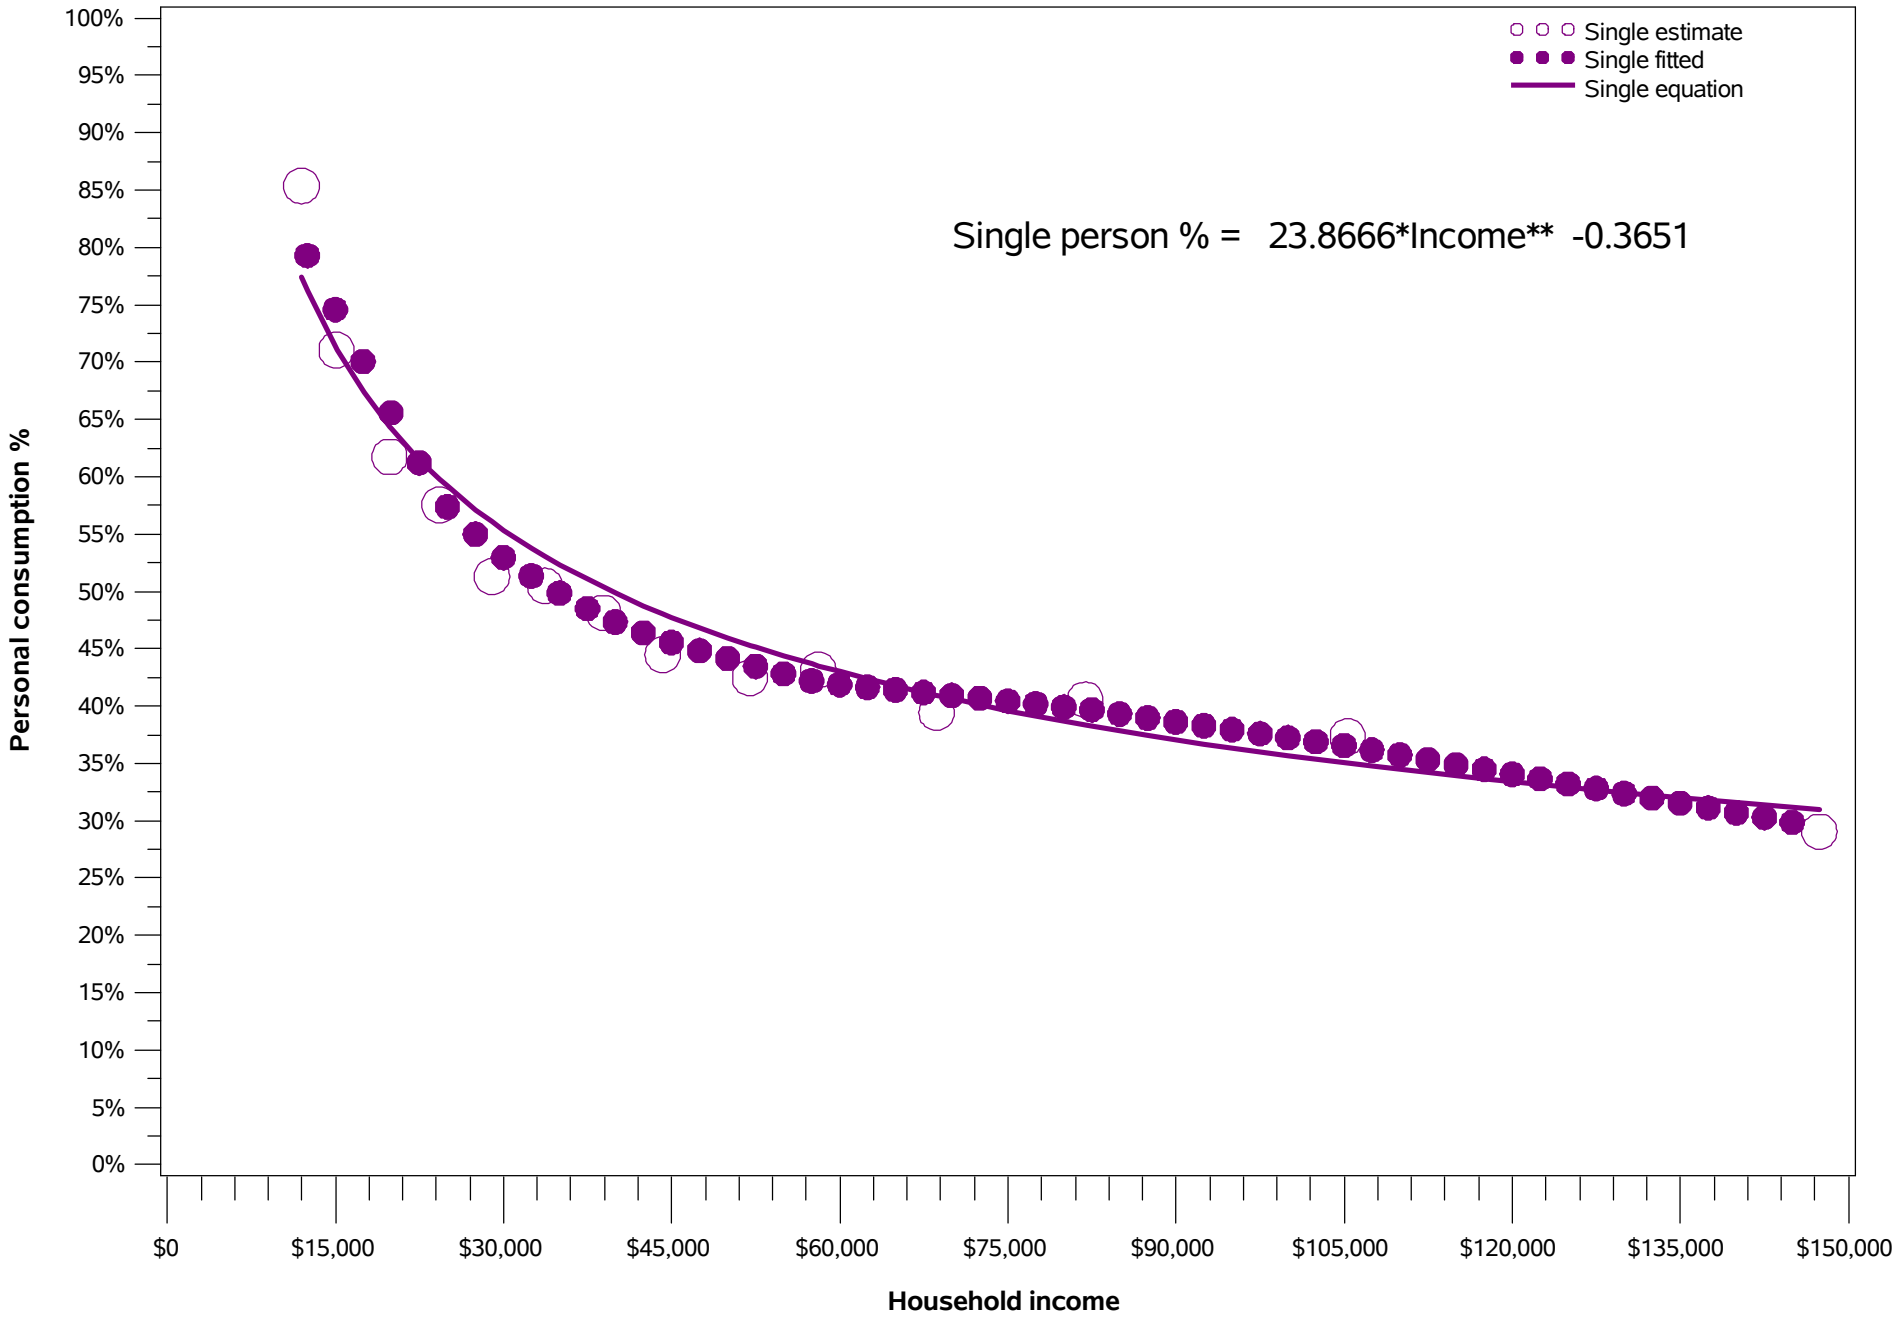

Table 1. Consumption expenditures (2013-15$) in wage-earning husband and wife (under age 65) only households

Mean household income in range	# of households studied	Husband only consumption	Wife only consumption	Husband and wife equal consumption	Family equal consumption	Food equal consumption	Utilties (25% consumption)	Vehicle operation cost (divided by three for consumption)	Vehicle ownership cost (divided by number of vehicles for consumption when more than two vehicles, or leaving one vehicle for survivors)	Number of vehicles
